POLICY STATEMENT

Heathfield Community School's Safer Recruitment Policy forms part of a wider whole school commitment to safeguarding children, young people and vulnerable adults in its care.

The policy sets out clear systems and processes for all who seek voluntary and/or paid employment at or within Heathfield Community School.

The policy is based on government guidance.

Scope

The measures described in this policy will be applied to all who are employed to work at Heathfield Community School including the Tacchi-Morris Arts Centre and The SPACE who are likely to have contact with children, and be perceived them to be safe and trustworthy adults.

Incorporated within the scope of this policy are staff employed by the school, supply staff, volunteers and the like who regularly work at Heathfield Community School. Whilst they may not have direct contact with children as a result of their role/job they may nevertheless may be considered safe and trustworthy due to their regular presence on the school site.

Personal Data - List 99 and Enhanced DBS Central Record

The school holds a single central record incorporating all employed staff and others that have contact with children. The record is available to the Senior Leadership Team. The record details a range of checks as set out by the Department for Education. The record is maintained by the School Business Manager and/or delegate.

Contractors

Heathfield Community School only use County authorised contractors or known contractors with a CRB/DBS check in place.

Volunteers

Volunteers will be supervised at all times by a member of staff unless they have an Enhanced DBS check in place.

Supply Agency Staff

No Supply Agency staff will be permitted to work at Heathfield Community School without written confirmation from the agency of the individuals CRB/DBS disclosure number and date of clearance.

Where supply staff attend Heathfield Community School for the first time the Deputy Head in charge of supply teachers obtains and passes on the relevant County/Agency CRB/DBS disclosure evidence to the Finance Office.

Governors

All Governors will be subject to an Enhanced DBS check.

Staff

Prior to taking up their appointment all staff will be subject to Enhanced DBS check.

Recruitment and Selection Process

In order to continue to provide high quality education we must ensure that new staff are of the highest calibre.

Once a need to appoint a new member of staff has been identified it is important that the Head of Department meets with the Head and the Curriculum Deputy to discuss the job description and the appointment process.

All new posts carrying a teaching commitment will be advertised externally (nationally in the case of full-time teaching posts and at least regionally in the case of non-teaching posts). Posts carrying an allowance for additional responsibility will also, wherever possible, be advertised externally. Internal candidates will be encouraged to apply for such posts, will be considered alongside all other candidates and will in most cases automatically be included in the interview process as part of the school's commitment to providing its own staff with relevant interview experience whenever possible.

The school, its staff and governors will ensure that its staffing practices do not discriminate against members of staff or potential candidates in ways which are unconnected to their ability to perform the duties of the post. The policy has been formed within the framework of the statutory legal requirements but also recognises the need to promote positive attitudes which will result in the lowering of traditional barriers to equality of opportunity.

Advertising

All adverts will be carefully constructed to ensure they promote Heathfield Community School's commitment to the safeguarding of students, young children and vulnerable adults, as set out by the Local Authority's Safeguarding Statement.

Heathfield Community School is positive about disabled people and the 'two tick symbol' appears in our adverts. Thus means that candidates who have declared a disability will be invited to interview/short-listed if they meet the essential requirements of the post.

The Job Description will summarise the main duties and responsibilities of the post and the Person Specification will list the essential and desirable qualifications, skills and attributes required.

Application Form

The school will use a standard application form to obtain a common set of core data from all applicants. The school will not accept curriculum vitae in place of an application form.

Short Listing

All applications are scrutinised by the interview panel members to ensure that they are fully and properly completed; that the information provided is consistent and does not contain any discrepancies, and to identify any gaps in employment.

Incomplete applications will not be accepted. Clarification may be sought around anomalies or discrepancies and/or gaps in employment history identified by the scrutiny panel prior to short listing. The short listing panel will form the interview panel to ensure clarity and consistency.

Applicants that have not been shortlisted will be informed and invited to request feedback should they so wish.

References

The school will always seek references prior to interview and before making a formal offer.

The school will **NOT** :

- Accept references and/or testimonials provided by the candidate.
- Accept references from friends, relatives or neighbours.

Where a reference is considered to be vague, the referee will be contacted and asked to provide written answers or amplification as deemed appropriate.

Information given by the applicant's referee(s) will be compared with the application form to ensure that there is clarity and consistency. Where there is a discrepancy this will be addressed with the applicant at interview.

The school will consider all information regarding previous convictions, disciplinary action and/or allegations on a case by case basis and in accordance LA HR support and guidance.

Student Voice

Whenever appropriate, the school will involve students in the recruitment and selection process. Student involvement is considered good practice and may take the form of an interview or similar activity.

Invitation to Interview

The invitation to interview will clearly indicate the following:

- Purpose
- Date
- Time
- Venue (Including directions)
- Outline programme

All candidate ID's will be checked thoroughly on entry to the school site. To satisfy the schools ID checking process candidates will be required to provide a current photographic image of themselves, e.g. driving licence or passport.

EQUAL OPPORTUNITIES

STAFFING

Heathfield Community School is committed to creating an environment where there is mutual respect and equality of opportunity. You can expect to be treated fairly with respect, dignity and understanding whoever you are and whatever your background. For further information about Heathfield's Equality Policy please see :

Part-time work and job sharing

Part-time staff should be on the same professional level as full-time staff and be given the same opportunities for professional development.

Opportunities for job sharing will be sympathetically considered at all levels of responsibility.

Access and Adaptation for Staff/Applicants for Posts with Disabilities

Active consideration will be given to the needs of staff with physical or mental impairments which have a substantial and long term effect on their ability to carry out normal day-to-day activities. (Advice and assistance may be sought from outside experts such as the Disability Employment Advisors at the Job Centre/Department for Work and Pensions.)

Support for Maternity Leave / Paternity Leave / Carers Leave

In keeping with LEA Policies, the school will give the maximum support to staff taking career breaks, particularly for reasons of child care. Ways should be explored to ensure re-employment at similar levels of responsibility.

Appointments

In formulating details for job descriptions due regard will be given where appropriate to encouraging under-represented groups.

All appointment procedures will be designed to encourage the widest range of applicants possible.

Candidates who have declared a disability and meet the essential requirements of the post will be short listed.

Interviewing and selection panels should be concerned only with the stated requirements for the post (which will include consideration of pastoral issues) and be aware of the need to avoid traditional pre-conceptions which limit the scope of potential candidates.

The panels themselves should be gender balanced and candidates for the posts should be familiar with the school's policy on Equalities.

NON-CONTACT TIME POLICY

1.
 - (a) The normal and maximum teaching load for main scale teaching staff is 18/20 sessions.

If the timetable structure does not allow teachers to teach their full normal quota (as defined above) they may be allocated to other areas of responsibility.

3. From year to year teachers with additional responsibilities, particularly those of a cross-curricular nature, may be given additional non-contact time.
