

We would like you to research and investigate an aspect of Spanish culture from the following list. Your project can be presented either as a Powerpoint presentation, handwritten or as a Word document. Use a dictionary or www.wordreference.com to find key words in Spanish. Choose something you are interested in! Complete one project per week.

Easter in Spain – does the Easter bunny visit children in Spain? Find out about Easter traditions and compare them to our own celebrations. Design an Easter egg and label the colours in Spanish! Find 10 key words in Spanish to do with Easter and Spring, and find or draw a picture for each one.

Spanish food – how many types of Spanish food do you know? Find a simple recipe in Spanish and see if you can translate it into English. Try cooking it at home and take a photo!

Madrid, Barcelona, Seville – what do you know about Spain's beautiful cities? Find out about some of the landmarks and history of cities in Spain. Have you ever visited Spain, or would you like to visit in the future? What about Spanish-speaking countries in other parts of the world?

Find out about a famous Spanish-speaking person and produce a fact file about them. This could be a sportsperson, an actor / actress, a singer, a politician, a chef – whoever you like! Write an imaginary interview with them in Spanish, using the questions you have learned in lessons.

Research your favourite sports and find out about Spanish teams, events or sportspeople. Football is very popular in Spain!

Free choice - if there is something you are particularly interested in, find out about it in Spanish! How about flamenco dancing or artists such as Picasso or Dalí?
