

Year 7

Learning objective: To understand what a still image is and how to start creating a character from one.

What emotions/feelings/ thoughts/ scenario's (situations) do you think of when you see the following words?

The words	Your thoughts/ emotions/feelings/ scenario's do you think of?
War	Example: I think of two groups having a disagreement as they feel so strongly and passionate about their view that they feel that fighting is the only way. I wish war never existed and wish for world peace but humans can feel strongly about gaining power which creates conflict (making a war). This could be two countries fighting over a piece of land.
Love	
Friendship	
Circus	
Shock	
Holiday	

Thought tracking – select **one** of the words and draw a picture showing that word with your thoughts/emotion's/feelings you came up with. Make sure you have people in your picture.

Next- write speech bubbles with what the character is really thinking inside their heads.
